

## Children attended events through the SSP:

### Sedgefield Dash

Teams from Year 3- 6 took part in track and field events with other schools in the Sedgefield partnership. We had many children reach the finals of track and field events. Three children won a place in the finals.

### Year 2 OAA at Hardwick Park

This gave all children in the class the chance to join in activities. Find the teddy was the overall favourite.

### Year 4 OAA at Hardwick Park

All Year 4 children took part in the activities around the park.

**Impact:** Increased enjoyment at a range of sports.

## After School Clubs:

**Outdoor Games Club** The club was open to all year groups and each week they chose a different area to focus on. They have completed den building tasks and sporting activities.

**Scooter Club** This club ran every Thursday for all year groups. Children made obstacle courses and rode scooters around their courses.

**Cookery Club** every week for children. Children made healthy, budget snacks and meals.

**Impact:** Children are increasing fitness levels. Taught children links between healthy eating and overall health and fitness.

## Impact of Sport Premium

at

## Rosa Street Primary School

Summer 2018

### Coach Support:

Chris from Thrills and Skills worked with children from Year 4 and Year 5 to complete brush craft, den building and survival skills. The children climbed trees using supported ropes.

**Impact:** Increased fitness levels. Demonstration to children that there are many ways to keep fit. Den building is provided during playtimes in school.

**Fit for Life:** Classes have started to complete Fit for Life activities (10 minutes each day) using resources from SSP programme.

**Impact:** Increased fitness levels for all.

## SSP Specialist Teacher

Miss Davison worked with the Specialist teacher to prepare for the next academic year. An action plan was developed a subject audit was completed to ensure sustainability of work completed this year.

The specialist teacher also worked with supply teachers employed in Reception and Year 4 to ensure all children had the best experience possible of sports in schools.

**Impact:** Increased confidence for subject leader and new staff.

## Leadership Opportunities for Pupils:

### LEAP Leaders

Year 4 children were trained in LEAP activities and will continue their role next year. They are ready to start in September!

### School Games Day

Year 6 sport leaders set out activities and demonstrated to each year group what they needed to do at activities.

**Impact:** Increased pupil voice on PE issues and increased participation of events / activities for all pupils. Active playtimes encouraged.
